The 14th Global Finance Conference
1 - 4 April 2007
Crown Promenade Hotel, Melbourne, Australia

For further information: www.gfc2007.org

This is the first time the world's premier finance conference has been held in Australia.

Take advantage of this opportunity to network and share ideas with specialists from around the world.

GFC 2007 has sessions such as:

- Asset Allocation/Country Mutual Funds/Hedge Funds/ETFs
- Banking and Financial Services
- Market Integration and Interest Rates
- Country Risk/Debt Issues
- Corporate Governance
- Financial Crises
- Currency Issues
- Education/Curriculum
- Distance Learning
- Emerging Markets and Privatization
- Entrepreneurship/Venture Capital
- Accounting, Regulation and Taxation
- Financial Engineering and Derivatives
- Insurance/Reinsurance
- Interest-Free Banking/Islamic Finance
- Market Behavior Efficiency/Inefficiency
- Behavioral Finance
- Finance and IT, Multinational Finance
- Ethics/Social Responsibility
- Valuation/Pricing/EVA and MVA
- Volatility Determination, Transmission and Risk Management
- Working Capital and Treasury Management
- Legal and Regulatory

INNOVATIONS
We have assembled an outstanding program with some exciting innovations. For the first time, the GFC will offer:

- a Mandarin language session
- an enhanced legal and regulatory session
- illustrated papers (poster sessions)

PAPERS
Papers are categorised as refereed papers and working papers/poster session papers. All refereed papers will be double blind reviewed. The best papers will receive cash prizes and be published in the Global Finance Journal.

BOOKINGS AND INFORMATION
It is anticipated that GFC 2007 will attract a wide range of interested authors from over 40 countries to share knowledge, network and interact with industry specialists.

Spaces are limited.
